

New school year 2024-2025 registration guide

Dear students and parents/guardians,

The school year is close to coming to an end, we want to express our gratitude for your ongoing support, which has greatly enriched the learning experiences of our students at Glasgow Chinese School.

We are pleased to announce that registrations for the upcoming 2024-2025 academic year are now open. To enroll, students must be over five years old, as class placement is primarily determined by age and Chinese proficiency level.

The 2024-2025 session will begin on September 7, 2024 and will consist of 32 weeks of in-person classes, held on Saturday mornings from 10:00 am to 12:30 pm.

Tuition Fees and Payment Information:

Discounted tuition fees for upcoming courses are £260, and exam course fees are £320. Payment must be made by June 10, 2024, to receive a discount. Registrations made after this date will incur an additional fee of £20.

We encourage parents to make payments via online bank transfers to streamline the process. Please note that a £10 processing fee applies to cash payments for registration fees due to banking requirements.
